

**Employment Opportunity Home Health Aide MGBHLM looking for a Home Health Aides (HHA) role is to provide personal care and home management based on assessed needs. The HHA encourages clients, to be as independent as possible. This position reports to and is overseen by a Home Care Registered**

#### ROLES & RESPONSIBILITIES:

As a Home Health Aide, your primary responsibilities will include:

- Client Support and Well-being: You may accompany MGBHLM nursing team on home visits where you will be responsible to assist with tasks delegated by the health care team.
- Personal Care: Assisting patients with personal care tasks such as preparing meals, bathing, grooming, dressing, and mobility. Your compassionate approach and attention to their needs will enhance their quality of life. You will spend time with the client reassuring their needs.
- Home Environment: You will be responsible for maintaining a clean and safe home environment for each patient, including light housekeeping tasks, meal preparation, and promote a comfortable and healthy living space.
- Record Keeping: Accurately and consistently maintaining up-to-date records for each patient, documenting care provided, changes in health status including vital signs, and any other relevant information to ensure a comprehensive and organized healthcare history.

#### QUALIFICATIONS:

To excel in this role, the ideal candidate will possess the following qualifications:

- High school diploma or equivalent.
- Certified Home Health Aide (HHA) or equivalent certification preferred.
- Demonstrated ability to provide compassionate care and emotional support to patients.
- Strong communication and interpersonal skills.
- Reliable transportation and a valid driver's license.
- Ability to maintain confidentiality and adhere to strict ethical standards.

#### OTHER:

Our healthcare company is committed to providing high-quality, compassionate care to our patients. As a Home Health Aide, you'll have the opportunity to positively impact the lives of those in your community while working in a supportive and collaborative environment.
